

SINGLE-HUNG WINDOWS

Andersen® 100 Series single-hung windows allow ventilation through a single operable lower sash that slides up and down. Classic rectangular shapes are available, or use an arched top for added elegance. Made with our revolutionary Fibrex® composite material, 100 Series products are durable, environmentally smart and energy efficient. 100 Series products are available in deep, rich colors that complement virtually any architectural style. For added style, we offer a wide range of grille patterns and patterned glass options.
