

Andersen’s best-performing and most efficient A-Series windows offer a variety of performance options to meet strict building codes* and 24/7 protection against the harshest weather conditions.

| | STANDARD | PERFORMANCE GRADE (PG) UPGRADE | STORMWATCH® PROTECTION  |
|---|---|--|--|
| DESCRIPTION | A-Series windows have been rigorously tested to meet PG50 for all glass options offered. | A-Series windows with a Performance Grade (PG) upgrade achieve higher air, water and structural ratings as opposed to standard performance windows. | A-Series windows with Stormwatch Protection achieve higher air, water and structural ratings. They also include impact resistant-glass for wind-borne debris protection to maintain the structural integrity of the unit after impact. |
