*Consistent complete door closure when compared to standard pneumatic dual closers. **Hardware packaged separately. †See andersenwindows.com/stormdoors for hardware finish samples. ††Antique brass, brushed dark nickel, brushed french gold, oil rubbed bronze and Venetian bronze are "living" finishes that can change with time and use. ‡Nickel, matte black, metallic stone and brass handle sets feature TarnishGuard™, a protective coating that helps maintain their attractive finish for years. Printing limitations prevent exact finish replication.
