GLASS OPTIONS

NORTHERN CLIMATES
Triple-Pane Glass
Three panes of glass combine with either argon gas blend or air and Low-E coatings to provide our most energy-efficient glass option.

Low-E & Low-E4® Glass
Excellent thermal performance for climates where both heating and cooling costs are a concern. Energy-efficient Low-E glass options are available in all Andersen product lines.

SOUTHERN CLIMATES
SmartSun™ Glass
Shields your home from the sun’s heat and filters out 95% of harmful UV rays while letting sunlight shine through.

SmartSun™ Glass
It gives you the benefits of Low-E glass, plus it helps shield your home from the sun’s heat and filters out 95% of harmful UV rays while letting sunlight shine through.

PassiveSun® Glass
A great solution for cold climates where solar heat gain is desired. Ideal for passive solar applications.

Sun Glass
It’s tinted for maximum protection from the effects of intense sunlight while providing excellent energy efficiency.

EVEN BETTER EFFICIENCY
HeatLock® Technology
HeatLock coating can be applied to the room-side glass surface (surface #4) of our windows and doors. The coating helps reflect escaping heat back into the room, resulting in improved insulation and better U-Factor values.

For more details HeatLock technology, visit andersenwindows.com/heatlockfaq.

ADDITIONAL GLASS OPTIONS
Tempered safety glass is standard on patio doors.

Laminated glass for added strength, enhanced security and sound control.

Patterned glass can be substituted for clear glass to let in light while obscuring vision and adding privacy.

GLASS SPACERS
Choose from stainless steel, black or white glass spacers on select products to create a customized look. Add Full Divided Light grilles and the grille spacer bar between the glass will match the selected glass spacer color.

STORMWATCH® COASTAL PROTECTION
Some Andersen products are available with impact-resistant glass and structural upgrades to meet the tough building codes of hurricane-prone coastal areas. See your local code official for specific requirements in your area.
