Product Label

Clad inswing patio doors have an identification logo etched on the bottom right corner of the glass as viewed from the interior.

This identification logo contains a “P Number”. The “P Number” is located directly below the Andersen® logo. “P Numbers” include both the Production Number and Line Item Number separated by an exclamation mark.

When ordering replacement parts, please provide the “P Number” and a brief description of the product and part required to ensure the replacement part(s) match the specifications of the original product. If unable to locate the “P Number” contact the appropriate Andersen® distributor.
