Woodwright® Double-Hung Window Unit Parts

Unit viewed from exterior.

Unit Sizes

Standard and Custom Window Sizes

Note:

Woodwright Windows are available in standard sizes (see standard size charts, [page 5](#)). Replacement parts for some standard windows can be ordered using the numbers listed in this catalog. Many replacement parts for standard windows are made to order. These items are ordered using the Product ID found on the identification label and a description of the part needed. See [Service Guide 9051877](#).

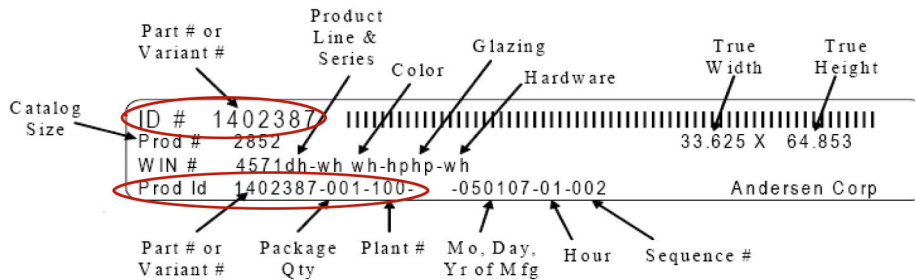

Woodwright Windows are also available in custom sizes in 1/8" increments between the smallest and the largest standard sizes. Most replacement parts for custom-sized windows are made to order and can be ordered with the Product ID found on the identification label and a description of the part needed. See [Service Guide 9051877](#).

400 Series Product Label

Note:

Every Woodwright Window will have an identification label or glass etching containing a unique Product ID. The Product ID on Woodwright Windows will be located at the top of the window frame or etched into the glass. See [Service Guide 9051877](#). The Product ID may be up to 14 digits long (excluding hyphens), depending on the age of the unit. Replacement parts will also get their own unique Product ID. When ordering replacement parts, providing the Product ID ensures that replacement parts match the specifications.

Insect Screens

Insect Screens - Full / Standard

Note:

Standard size units use the same insect screens as 400 Series Tilt-Wash units (listed below). See 400 Series Tilt-Wash section for cottage insect screens. Insect screens for custom size windows are made to order. Half insect screens (see [page 49](#)) are made to order.

To order, state:

1. Description of Part (Full Insect Screen)
2. Quantity
3. Product ID (from product label, see [Service Guide 9051877](#))

400 Series Woodwright® Double-Hung Windows (2002 to Present)

Angle Bay Windows

Unit Sizes

Note:

Angle Bay Windows are assembled with multiple Woodwright® Double-Hung and Picture Windows. Look in the standard window pages of this section for most replacement parts. Angle Bay units use specially designed mullion posts, side flanges, extension jambs, and head/seat boards. Replacements for these and other special Angle Bay parts can be found in the 400 Tilt-Wash Parts Catalog. Horizontal joining kits are unique to Woodwright® units and can be found on [page 62](#). Angle Bay units are available in pine, only. They are not available in oak, maple, or primed white. See [Architectural Detail](#) files.

Service Replacement

Service Replacement Only

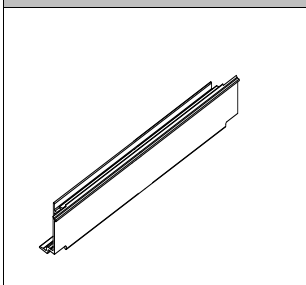

Service Replacement Only Parts

Note:

This section is specifically designed for parts that should only be ordered if a Territory Service Manager/Service Provider Company has requested them to be ordered or if the customer agrees to also pay for a non-warranty repair/replace service job (subject to availability) for these parts to be installed. We do not recommend anyone other than a trained AW employee or Service Provider install these parts due to the complexity of installation, modifications required for installation and/or requirement of special tools.

Weatherstrip

Weatherstrip - Upper Interlock

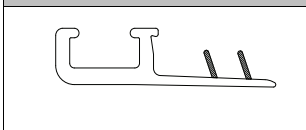

Note:

Upper interlock weatherstrip for standard and custom size windows is made to order.

To order, state:

1. Description of Part (upper sash interlock)
2. Quantity
3. Product ID (from product label, see [Service Guide 9051877](#))

Weatherstrip - Lower Interlock / Lineal (December 2007 to February 21, 2018)

Note:

Cut to length if necessary. Also order [felt spacer](#) and screws.
