### Standard and Custom Window Sizes

**Note:**

A-Series Double Hung Windows are available in standard sizes (see standard size charts, [page 7](#)). Replacement parts for some standard windows can be ordered using the numbers listed in this catalog. Many replacement parts for standard windows are made to order. These items are ordered using the Product ID found on the identification label and a description of the part needed. See [Service Guide 9051877](#).

A-Series Double Hung Windows are also available in custom sizes in 1/8" increments between the smallest and the largest standard sizes. Most replacement parts for custom-sized windows are made to order and can be ordered with the Product ID found on the identification label and a description of the part needed. See [Service Guide 9051877](#).

### A Series Product Label

**Note:**

Every A-Series Double Hung Window will have an identification label **or** glass etching containing a unique Product ID. The Product ID on A-Series Double Hung Window will be located at the top of the window frame or etched into the glass. See [Service Guide 9051877](#). The Product ID may be up to 14 digits long (excluding hyphens), depending on the age of the unit. Replacement parts will also get their own unique Product ID. When ordering replacement parts, providing the Product ID ensures that replacement parts match the specifications.

### Service Replacement Only Parts

**Note:**

This section is specifically designed for parts that should only be ordered if a Field Service Manager/Service Provider has requested them to be ordered or if the customer agrees to also pay for a non-warranty repair/replace service job (subject to availability) for these parts to be installed. We do not recommend anyone other than a trained AW employee or Service Provider install these parts due to the complexity of installation, modifications required for installation and/or requirement of special tools.

### Exterior Grilles - Taped / Chamfer A

**Note:**

Permanently applied grilles can only be ordered by Andersen Territory Service Representatives, Andersen Service Dealers and Providers.
