

CLEAN LINES, MODERN STYLE

Make a statement with unique Heritage window walls that offer contemporary design and expansive views. An affordable alternative to residential and commercial storefront systems, these window walls allow an operable window to be inserted into the frame for ventilation and can accommodate limitless configurations to fit any design need.

KEY FEATURES

- Aluminum frame offers durability, low maintenance and an attractive appearance
- Thermally broken option available for increased energy efficiency in moderate climates*
- Weep system built into the unit to manage water*
- Optional flat sub-sill available for windows to sit on the floor
- Fits openings up to 12' tall and 21' wide
- Standard 4 1/8" depth for a seamless integration with hinged and sliding patio doors or pivot doors
- Optional 6" mulling available for larger openings that require reinforcement
- Most configurations have one perimeter frame, which keeps stationary unit sight lines at a minimum
- Casement, awning, single-hung and sliding windows available to be inserted into the frame

HERITAGE® WINDOW WALL

OPTIONS & ACCESSORIES

GLASS OPTIONS

SmartSun™ (366)

Thermal control similar to tinted glass, but with the visible light transmittance similar to Low-E glass.

Low-E with HeatLock® Coating (i89)

Applied to the room-side surface, it reflects heat back into the home and improves U-Factor values.

Low-E (272)

Outstanding overall performance for climates where both heating and cooling costs are a concern.

Clear Dual-Pane

High visibility with basic thermal performance.

GRILLE OPTIONS

Full Divided Light (Modern Divided Light)

Permanently applied grilles on the interior and exterior of your window with a spacer between the glass.

Choose from a contoured or contemporary profile.

Contoured

Contemporary

FLANGE OPTIONS

1" nail fin included for siding applications with integral rigid aluminum flange that helps seal the unit to the structure

Optional 1 3/8" nail fin setback

Finelight™ Grilles-Between-the-Glass

Aluminum grilles conveniently placed between the glass, making cleaning the glass easy inside and out.

Available in a contoured profile only.

Contoured

Printing limitations prevent exact duplication of colors and replication of finishes.

See your Heritage supplier for actual color and finish samples.
